ADDITIONAL INFORMATION

Additional Disclosure: On November 13, 2012, Indonesia's Constitutional Court (Mahkamah Konstitusi) dissolved the government's oil and gas agency, BPMIGAS, with immediate effect, ruling that its existence and actions were unconstitutional. As a result of the ruling, all powers and functions of BPMIGAS are to be transferred to the Ministry of Energy and Mineral Resources ("MEMR"). The Republic does not expect the Constitutional Court's decision to affect existing production sharing contracts.

BPMIGAS was established in 2002 as the government's implementing agency for the 2001 Oil and Gas Law, bringing together under one agency the executive, technical, administrative and commercial aspects of the government's involvement in, and oversight of, production sharing contracts.
