Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended (the " <b>Exchange Act</b> "), trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. |

Accordingly, purchasers who wish to trade the Trust Certificates on the date of pricing or the next two succeeding business days will be required, by virtue of the fact that the Trust Certificates

initially will settle in T+5, to specify an alternative settlement cycle at the time of any such trade to prevent failed settlement. Purchasers of the Trust Certificates who wish to trade the Trust Certificates on the date of pricing and the next two succeeding business days should consult their own advisors.
